Wednesday, February 26 – Saturday, February 29, 2020
Fairmont Château Whistler
4599 Château Blvd  WHISTLER British Columbia  V0N 1B4  Canada

CALL FOR ABSTRACTS

Abstract submissions will be accepted between: October 1 – 31, 2019

for presentations to be given at the 20th Annual Scientific Conference of the Canadian Spine Society taking place at the Fairmont Château Whistler in Whistler, British Columbia, Canada from February 26 – February 29, 2020.

ONLINE SUBMISSION: Abstracts are to be submitted online using the CSS’ online abstract system. The link for submissions will be located on the homepage of the CSS website at: www.spinecanada.ca.

ABSTRACTS: Abstracts are invited pertaining to all disorders of the spine and spinal cord. Completed projects should not have been previously published. Work in progress is encouraged. Preliminary information on clinical trials, prospective reviews and retrospective analyses are all acceptable.

NOTE: All presentations will be in English. Presenters are expected to register for the conference and are responsible for all expenses involved with attending the Conference. Papers submitted that exceed the stated maximum word count of 325 words will be disqualified.

FIRM DEADLINE FOR ABSTRACT SUBMISSIONS: October 31, 2019
